SANITARY.

PROCEEDINGS OF THE CENTRAL SANITARY BOARD IN MYSORE.

READ—

Letter No. B. 5161, dated the 26th April 1919, from the Chief Engineer of Mysore, forwarding estimates aggregating Rs. 1,658 for improving the water-supply in the Belagola village, Mysore District, by providing 4 additional fountains in convenient localities.

Resolution No. 9, *dated* 19*th June* 1919.

Resolved that as the village is situated close to the site of intake of water for the Mysore City water-supply, the provision of additional fountains is absolutely necessary to keep the villagers from resorting to and fouling the water in the channel and that the estimates may therefore be approved.

T. V. ARUMUGAM,
President, Central Sanitary Board.

Notification No. 621, *dated* 18*th July* 1919.

With a view to encouraging literary work in Kannada of an advanced modern standard in such subjects as Science, History, Geography, Literature, etc., the University offers during 1919-20 prizes varying from Rs. 250 to Rs. 1,000 for works of special merit in Kannada on the following subjects:—

(1) An outline account of the Geography of the world with special reference to natural sources, their history and possibilities;
(2) A History of Mysore;
(3) A book on Chemistry, Physics, or a general book of Science of the University Entrance Examination Standard;
(4) Modern Civilization (Indian and General); and
(5) An Outline History of English Literature.

Applications are invited from persons desirous of writing books on any of the subjects mentioned above.

The conditions are as follows :—

(*a*) The books should show sound scholarship, accuracy regarding facts and knowledge abreast of the times. They should be written in idiomatic Kannada, in a style concise but intelligible and simple which will readily appeal to the average reader. The books while treating of the subjects adequately, should not be unduly extended. They should be either printed or legibly written on one side only of the paper, and should reach the Registrar, Mysore University not later than the 30th of April, 1920.

(*b*) No prize will be awarded unless the work is deemed to be of sufficient merit.

(*c*) The University will be prepared to consider the question of the printing and publication of any work approved by them, and also the ownership of the copyright.

(*d*) The amount of the prize awarded will be payable only after the book approved of is printed, or satisfactory arrangements made for printing.

For any further information, a written communication should be made to the Registrar, Mysore University, Mysore.

Notification D. No. 9, *dated 14th July* 1919.

The following summary of rules *re* the award of Backward Class Scholarships in various grades is notified for information and guidance of all Head Masters of Government Schools and Managing Committees of Aided Schools wherein scholarships for the encouragement of education among the Backward Classes are made tenable.

1. The scholarships under this scheme shall be awarded only to pupils and students belonging to the classes which are considered educationally backward. A list of classes, considered to be backward according to the latest Government Order on the subject, and a list of allotment of scholarships of the different grades among the several districts, is appended hereto.

2. Scholarships of the V grade (Rs. 2) each per mensem, tenable in the IV and V standards of Vernacular Lower Secondary Schools and scholarships of the IV grade (Rs. 4 per mensem) tenable in the III, IV and V standards of English Lower Secondary Schools and in the special English classes. (These classes being considered as equivalent to the II and III Forms of the English Lower Secondary), are awarded by the Taluk Progress Committees of the taluk, in which the schools are located and all applications for the above scholarships should be made to the Chairman of the Committee on printed forms (which will be supplied by him on application) so as to reach him not later than the 16th August 1919.

3. Scholarships of the III grade (Rs. 8 per mensem) tenable in the IV, V and VI Forms of a High School are awarded by the District Committees, and all applications for these scholarships should be made to the President of the Committee on printed forms, (to be supplied by him on application) so as to reach him not later than the 16th August 1919.

4. Separate notification is issued *re* the 2nd grade scholarships tenable in the University Entrance Classes.

5. The Heads of Institutions are requested to render all help to the students in filling up the application forms, so that the students may not lose any chance of getting the scholarships owing to their insufficient knowledge of rules and procedures. A manuscript copy of this notification may also be put up on the notice board of the Institution for the information of students.

6. All the students to whom Backward Class Scholarships will be awarded should be considered as free students and the fees collected from them till the date of award should be drawn on refund bills from the treasury and refunded to the boys. These free studentships will be in addition to the 20 per cent usually allowed in all Government and aided institutions.

7. Applications for scholarships to students belonging to the Depressed Classes (*i.e.*, Holeya, Madiga, Lambani, Vodda, Korama, Koracha, Hill Tribes and Animists) should also be made to the Taluk Committees so as to reach them before the 16th August 1919.
